IMPORTANT

PLEASE READ CAREFULLY BEFORE USING YOUR SKYGOLF GAMETRACKER

This Product Information Guide contains important safety, handling, and warranty information, as well as software license information, for your SkyGolf GameTracker. Please read carefully before using your SkyGolf GameTracker.

Important Safety and Handling Information

WARNING: Failure to follow these safety and handling instructions could result in fire, electric shock, or other personal injury or property damage, including damage to your SkyGolf GameTracker.

Carrying and Handling your SkyGolf GameTracker

Your SkyGolf GameTracker contains sensitive components. Do not disassemble, open, crush, puncture, shred, microwave, incinerate, or insert foreign objects into your SkyGolf GameTracker.

Avoiding Water and Wet Locations

Your SkyGolf GameTracker is designed for wet conditions that exceed those typically encountered while playing golf. Still, you should take care not to expose your SkyGolf GameTracker to water, as too much exposure to water may cause damage, such as might happen if you drop your SkyGolf GameTracker into a water hazard while looking for your ball. If you do get your SkyGolf GameTracker wet, do not attempt to dry it with an external heat

source like a microwave oven or hair dryer. SkyGolf GameTracker devices that do manage to get water damaged are generally not serviceable.

Repairing or Modifying your SkyGolf GameTracker

Never attempt to repair or modify your SkyGolf GameTracker yourself. Disassembling your SkyGolf GameTracker will void the warranty. Your SkyGolf GameTracker does not contain any user-serviceable parts. Service should only be provided by a SkyGolf Authorized Service Provider. If your SkyGolf GameTracker has been punctured, or subjected to a severe fall, do not use it until you contact an Authorized Service Provider. The rechargeable battery in your SkyGolf GameTracker is not user-replaceable and should be replaced by a SkyGolf Authorized Service Provider only. For service information, go to www.SkyGolf.com.

Charging your SkyGolf GameTracker

In charging your SkyGolf GameTracker, use only a SkyGolf supplied charger specifically designed for your SkyGolf GameTracker. Use of other chargers may cause personal injury and property damage, including damage to your SkyGolf GameTracker.

Read all safety instructions for any products and accessories before using your SkyGolf GameTracker. SkyGolf is not responsible for the operation of third-party accessories or their compliance with safety and regulatory standards.

When charging the battery on your SkyGolf GameTracker with an authorized SkyGolf charger designed for use with the SkyGolf GameTracker, make sure that the charger is fully assembled before you plug it into a power outlet. Do not connect or disconnect the charger with wet hands.

The charger may become warm during normal use, however, your SkyGolf GameTracker should never become hot. Always allow adequate ventilation around the charger and use care when handling. Unplug the charger if any of the following conditions exist:

- The power cord or plug has become frayed or damaged.
- The adapter is exposed to rain, liquid or excessive moisture.
- The adapter case has become damaged.
- You suspect the adapter needs service or repair.

Choking Hazards

Your SkyGolf GameTracker contains small parts, which may present a choking hazard to small children. Keep your SkyGolf GameTracker and its accessories away from children.

Using Connectors and Ports

Never force a connector into a port on your SkyGolf GameTracker. Check for obstructions on the port. If the connector and port do not join with reasonable ease, make sure that the connector and port are properly aligned before attempting to insert again.

Keeping Your SkyGolf GameTracker Within Acceptable Temperatures

Operate your SkyGolf GameTracker in a place where the temperature is between 0° and 35° C (32° to 95° F). Low or high temperature conditions might shorten battery life or cause your SkyGolf GameTracker to stop working properly. Avoid dramatic changes in temperature or humidity when using your SkyGolf GameTracker and store it in a cool, dry place at room temperature.

Exposure to Radio Frequency Energy

Your SkyGolf GameTracker contains radio transmitters and receivers, much like cell phones, pagers and other similar devices. When on, your SkyGolf GameTracker sends and receives radio frequency (RF) energy through its antenna.

The SkyGolf GameTracker can emit radio waves that can affect the operation of nearby electronics, including cardiac pacemakers.

- Do not use the SkyGolf GameTracker within 9 inches of a pacemaker.
- If you have a pacemaker or other implanted medical device, do not use the SkyGolf GameTracker without first consulting your doctor or the manufacturer of your medical device. Your SkyGolf GameTracker has been tested and meets the SAR exposure requirements for Bluetooth® operation. Your SkyGolf GameTracker is designed and manufactured to comply with applicable limits for exposure to RF energy.

Additional Information

For more information from the FCC about exposure to RF energy, see: www.fcc.gov/oet/rfsafety

The FCC and the U.S. Food and Drug Administration (FDA) also maintain a consumer website at www.fda.gov/Radiation-EmittingProducts/default.html to address inquiries about the safety of radio emissions. Check the website periodically for updates.

LICENSE AGREEMENT

This License Agreement (this "License Agreement") is a legal agreement between you and SkyHawke Technologies, LLC ("Licensor"). By using or installing the Products, you acknowledge and agree that you have read, understood and agreed to this License Agreement and that this License Agreement is enforceable like any written negotiated agreement signed by you. Any and all software (including any embedded software, drivers, enhancements, revisions, downloads, modifications or updates), documentation and any fonts, whether on disk, in read only memory, on any other media or in any other form, that either came with the Game Tracker Product or is downloaded or provided in connection with the Game Tracker Product (collectively, the "Game Tracker Software" or "Software") are licensed, not sold, to you by Licensor for use only under the terms of this License Agreement, and Licensor reserves all rights not expressly granted to you.

- 1) Grant of License — Licensor provides limited access to the Game Tracker Software and, in connection therewith, the SkyGolf internet web site, and grants a limited license for their use under the terms of this License Agreement. The features and functionality of the Game Tracker Product require an annual SkyGolf Subscription Plan, which is sold separately and

is subject to a separate license agreement. To the extent this License Agreement includes the licensing of Software or other components also licensed in connection with a SkyGolf Subscription Plan (which includes access to SkyGolf premium services like course maps, statistics, and data storage), the terms of the SkyGolf Subscription Plan shall govern over the terms of this License Agreement, and you will lose access to such Software and other components (including any scores, statistics and other information you have stored on your SkyGolf account) on expiration of the term of your SkyGolf Subscription Plan if not timely renewed. Licensor reserves the right to stop offering SkyGolf Subscription Plans and/or renewals, and to remove or limit the features or functionality of SkyGolf Subscription Plans, at any time without notice.

a. Subject to paragraph 5 below and the other terms of this License Agreement, you are granted a nontransferable, non-exclusive license to use the Game Tracker Software under the terms stated in this License Agreement and, if purchased separately, the terms stated in your SkyGolf Subscription Plan License Agreement for solely personal noncommercial use in connection with the single Game Tracker Product. Title, ownership and copyright of the Game Tracker Software and any scores, statistics and other information stored on your SkyGolf account are vested in, and remain with, the Licensor. The rights granted herein are limited to the use of the Game Tracker Software and your SkyGolf account in accordance with this License Agreement, and do not include any rights in any patents or other intellectual property rights of Licensor.

b. Except as and only to the extent expressly permitted in this License or by applicable law, you may not copy, de-compile, re-compile, reverse engineer, disassemble, attempt to derive the source code of, modify, or create derivative works or translations of the Software. The Game Tracker Software, SkyGolf course maps and other software downloaded from the

Licensor's web site may not be used with, transferred or transmitted to any other hardware, software, or any other user or medium, except to the single Game Tracker Product which is registered in your name (or the name of a transferee authorized by Licensor) for personal noncommercial use in accordance with this License Agreement.

c. You may not assign, distribute, lease, rent, lend, sublicense, or transfer this license to the Game Tracker Software or any of their modules or components, except as provided herein or by item (b) above, or disclose the Game Tracker Software to any other person or entity, or otherwise offer access to or use of, the Game Tracker Software via the Internet or via any other network which is available to or accessible by third parties. Any attempt to do so is a violation of the rights of Licensor and its licensors of the Game Tracker Software. If you breach this restriction, you may be subject to prosecution and damages. You may, however, make a one-time permanent transfer of all of your license rights to the Game Tracker Software to another party in connection with the transfer of ownership of the Game Tracker Product, provided that: (a) the transfer must include the Game Tracker Product and all of the Game Tracker Software, including all its component parts, original media, printed materials and this License; (b) you do not retain any copies of the Game Tracker Software, full or partial, including copies stored on a computer or other storage device; (c) the party receiving the Game Tracker Software reads and agrees to accept the terms and conditions of this License and (d) the transfer is not of a commercial nature. You agree to reasonably cooperate with Licensor in inquiries by Licensor regarding your downloading and/or use of SkyGolf course maps or Game Tracker Software.

d. You agree that Licensor may, from time to time, send communications to you regarding (i) your Game Tracker Product, (ii) the Game Tracker Software, (iii) your SkyGolf 360 account or other SkyGolf account, (iv) other

notifications relevant to the Game Tracker Product you have registered with Licensor, and (v) special product or service promotions or offers. These communications may come from either Licensor directly or through third parties providing member benefit services for Licensor. This permission supersedes any previous opt outs or unsubscribe indications by you.

e. This License Agreement is effective until expiration, unless sooner terminated by Licensor. To the extent this License Agreement includes the licensing of Software or other components also licensed in connection with a SkyGolf Subscription Plan (including access to SkyGolf course maps and other features) and/or a SkyGolf 360 mobile application (including statistical analysis and storing of playing information), this License Agreement with respect to such Software or other components expires simultaneously with the expiration of such Subscription Plan or mobile application, respectively. Additionally, this license terminates, without notice, if you fail to comply with any provision of this Agreement. You agree upon expiration or termination to destroy the Game Tracker Software, together with all copies, modifications and merged portions in any form, including any copy in your computer memory or on a hard disk.

f. Notwithstanding any provision to the contrary herein, the license granted hereunder shall only apply to the extent the Game Tracker Product on which the Game Tracker Software is installed was purchased by you in an authorized United States or Canadian sale, you were a United States or Canadian resident at the time you purchased the Game Tracker Product and you registered the Game Tracker Product using your bona fide U.S. or Canadian address. Post office boxes or other similar addresses shall not qualify as a bona fide U.S. or Canadian address, and addresses obtained, rented or leased from third parties for the purpose of receiving product for subsequent delivery outside the U.S. or Canada shall not qualify as a bona fide U.S. or Canadian address. In the event you did not purchase the

Game Tracker Product in an authorized U.S. or Canadian sale or were not a U.S. or Canadian resident at the time of purchase or do not have a U.S. or Canadian address, no license is granted to the Game Tracker Software, and if you purchased the Game Tracker Product directly from Licensor via the Licensor's Internet web site, then you should contact the Customer Service department by e mail at customerservice@SkyGolf.com to apply for and arrange for a refund of your purchase or for a license for your country of residence within thirty (30) days of original purchase. In the event you did not purchase the Game Tracker Product in an authorized U.S. or Canadian sale or were not a U.S. or Canadian resident at the time of purchase or do not have a U.S. or Canadian address and you did not purchase the Game Tracker Product directly from Licensor, then you should contact the seller.
