Part 2.933(b) Change in Identification of Equipment

TekTroniks limited requests a change in identification of a currently certified device under Part 2.933(b).

The original equipment identification is FCC ID: ZAT-1312PSIP-3.
The original Grantee: Texas Instruments Inc. was granted approval on 20th May 2024.

The original test data filed by Texas Instruments Inc. continues to be representative of the newly identified device. There are no changes to the hardware or software.

This change in identification is requested for the newly identified device, FCC ID: XAX-TEKCC1312PSIP, which is physically and electrically identical as defined by Part 2.907, to the originally approved module.

Photographs as required under Part 2.933(5) and FCC ID label are submitted with this request.

Please let us know if you might require anything further to assist with your review of this Change in Identification of Equipment.

Sincerely,

A handwritten signature in black ink, appearing to read 'S. Smith', written in a cursive style.
