

FCC Class II Permissive Change Request Letter

DATE :2022.11.15

To FCC:

RE: FCC Permissive II Change Request for Company: AAMP of Florida, Inc. dba AAMP Global
FCC ID: XBD-RM2004N

We are submitting an application for a class II permissive change to the FCC approval of the Company name:

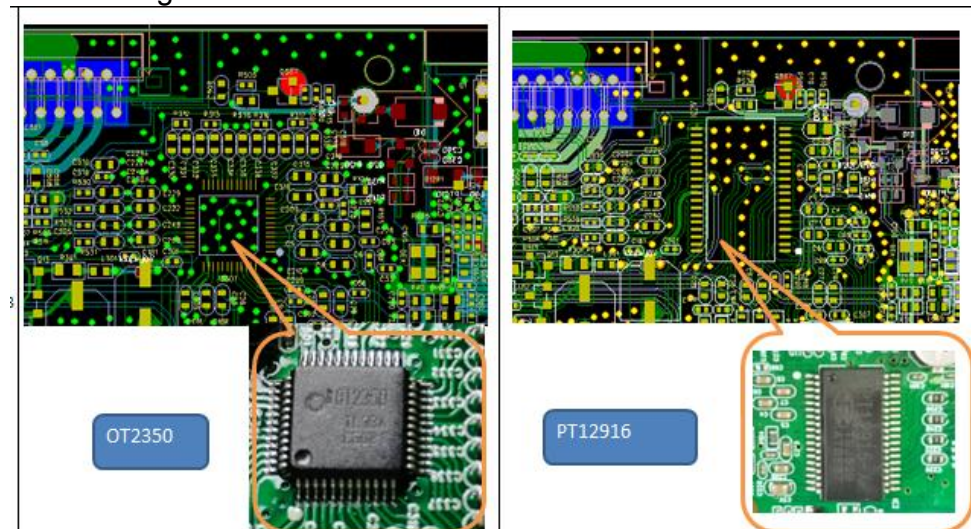

AAMP of Florida, Inc. dba AAMP Global

product description: 1-Din Audio Mechless

(FCC ID:XBD-RM2004N)

Original Grant Date: 09/26/2022).

Only the audio chip of the product is updated, audio chip model name OT2350 is updated to PT12916. And the other circuits and layout of PCB is unchanged. The circuit and the RF parameters didn't change.
