

Solder Board-Component View 4	 A photograph of a circular printed circuit board (PCB) component, labeled '4', showing its solder side. The board is populated with numerous small electronic components, including resistors and integrated circuits. It is connected to a multi-pin connector at the bottom and a ribbon cable at the top. The component is placed on a blue textured surface next to a black ruler with white markings for scale.
Solder Board-Component View 5	 A photograph of the same circular PCB component, labeled '5', showing its reverse side. The underside is mostly bare metal with some solder joints visible. It is connected to a multi-pin connector at the bottom and a ribbon cable at the top. The component is placed on a blue textured surface next to a black ruler with white markings for scale.
