5 Year Warranty

AmerTac™ warrants this product to be free from defects in material and workmanship for a period of 5 years from the date of purchase. AmerTac™ obligations are limited to replacing any defective units and are effective only if such units are returned within 5 years of the purchase date, to AmerTac™, Saddle River Executive Centre One Route 17 South, Saddle River, NJ 07458. Warranty void if damage is due to accident, negligence, misuse, alteration or improper installation. In no circumstances will AmerTac™ be liable for consequential or incidental damages residing in any way to this product.
Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

— Reorient or relocate the receiving antenna.
— Increase the separation between the equipment and receiver.
— Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
— Consult the dealer or an experienced radio/TV technician for help.
