CLASS 2 PERMISSIVE CHANGE COVER LETTER

7 April 2026

Federal Communications Commission
7435 Oakland Mills Road
Columbia, Maryland 21046

RE: Class II Permissive Change

FCC ID: XDW3652-0900

To whom it may concern,

Please be advised that pursuant to FCC Rule 47 CFR 2.1043 the manufacturer, Magicard Ltd, requests that the above-referenced FCC ID be approved for Class II Permissive Change.

The reason for the class II change is a change to the Wi-Fi USB dongle located internally on the Magicard 600 model. The new Wi-Fi USB dongle is a different supplier (D-Link AN3U) and is pre-approved (FCC KA2AN3UA1). As a result, spot-check testing was performed to verify compliance.

Sincerely,

A handwritten signature in black ink, appearing to read "SLawton", with a long horizontal stroke extending to the right.
