Confidentiality Request regarding application for certification of FCC ID: XDW5000-0001

Pursuant to CFR 47; Sections 0.457 and 0.459, we hereby request long-term confidential treatment of information accompanying this application as outlined below:

- Schematics
- Block Diagrams
- Operational Descriptions
- Parts List

These documents contain detailed system and equipment description and related information about the product which we consider to be proprietary, confidential, a custom design and ordinarily unavailable to the general public.

Since this design is a basis from which the future technological products will evolve, we consider this information to be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours faithfully
