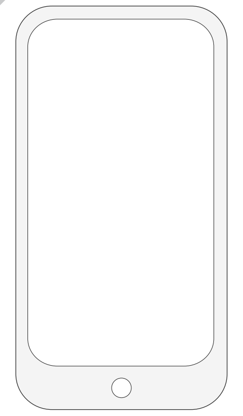
The Scout Air™ gives you 20 total hours of rechargeable battery life. Make sure to charge it regularly by connecting the case to a USB source with the case lid closed before storing.

Les Scout Air™ vous offrent un total de 20 heures d'autonomie de la batterie rechargeable. Veuillez vous assurer de charger régulièrement vos écouteurs en connectant le boîtier à une prise USB avec le couvercle fermé avant de les ranger.

CONNECT
CONNEXION



To connect to your smart phone or another Bluetooth® device, follow the steps below:

Pour vous connecter à votre téléphone intelligent ou à un autre appareil Bluetooth®, suivez les étapes ci-dessous :

1. Turn on Bluetooth® on your device.
   Activez le Bluetooth® sur votre appareil.
2. Open the case with the ear buds inside to initiate pairing.
   Ouvrez le boîtier contenant les écouteurs pour lancer l'appariage.
3. Select Scout Air™ from your device's Bluetooth® list.
   Sélectionnez Scout Air dans la liste Bluetooth® de votre appareil.

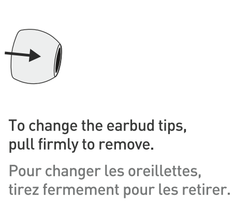
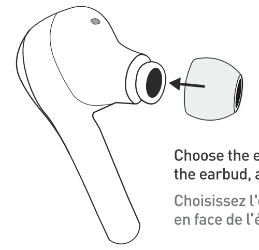
S'éteint quand le boîtier est fermé après 5 secondes.*	Battery Level Indication: *3 LED's—Full Battery* | *3 LED — Batterie pleine* *2 LED's—50% Battery* | *2 LED — 50 % de batterie* *1 LED—Low Battery* | *1 LED — Batterie faible*



To change the earbud tips, pull firmly to remove.

Pour changer les oreillettes, tirez fermement pour les retirer.



Choose the earbud tip that best fits, align with the earbud, and stretch around the grill.

Choisissez l'oreillette qui convient le mieux, placez-la en face de l'écouteur et enfilez-la sur la grille.

Regulatory Compliance Statements for Scout Air™ WIRELESS Ear Buds & Scout Air™ Case

Local Restrictions on Radio Usage

Caution: Due to the fact that the frequencies used by wireless devices may not yet be harmonized in all countries, these radio products are designed for use only in specific countries, and are not allowed to be operated in countries other than those of designated use. As a user of these products, you are responsible for ensuring that the products are used only in the countries for which they were intended and for verifying that they are configured with the correct selection of frequency and channel for the country of use. Any deviation from the permissible power and frequency settings for the country of use is an infringement of national law and may be punished as such.

To determine whether you are allowed to use your wireless network device in a specific country, please check to see if the radio type number that is printed on the identification label of your device is listed in the manufacturer's OEM Regulatory Guidance document at the following URL **http://www.turtlebeach.com/homologation** or contact Turtle Beach directly.

Federal Communications Commission (FCC) Compliance Notices

This section includes the following FCC statements for the Scout Air™ and Scout Air™ Case:

- FCC ID: XGB-5012L & XGB-5012R (Scout Air™ Buds)
- Class B Interference Statement
- Non-Modification Statement
- RF Radiation Exposure & Hazard Warning

Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

Class B Interference Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. The limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment doesn't cause harmful interference to radio or television reception, which can be diminished by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Caution:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: [1] This device may not cause harmful interference, and (2) this device must accept any interference received, Including interference that may cause undesired operation.

RF Radiation Exposure & Hazard Statements

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. End users must follow the specific operating instructions for satisfying RF exposure compliance. This transmitter must not co-located or operating in conjunction with any other antenna or transmitter.

Non-Modification Statement

Use only the supplied Internal antenna. Unauthorized anlennas, modifications, or attachments could damage the Scout Air™ Buds Models and violate FCC regulations. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment. Please contact Turtle Beach for a list of approved 2.4 GHz antennas.

Innovation, Science and Economic Development Canada (ISED) Compliance Notices

This section includes the following ISED statements for Scout Air™:

- IC: 3879A-5012L (Scout Air); IC: 3879A-5012R (SYN Buds Air)
- Class B Interference Statement
- RF Radiation Exposure & Hazard Warning

Canadian ICES Statements

This device complies with Industry Canada's licence-exempt RSSs. Operation is subject to the following two conditions:

1. This device may not cause interference, and
2. This device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

(1) L'appareil ne doit pas produire de brouillage;
(2) L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

RF Radiation Exposure & Hazard Statement

The product complies with Canada portable RF exposure limits set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available.

Exposition aux radiations RF & Mention de danger

Le produit est conforme aux limites d'exposition pour les appareils portables RF pour les Etats-Unis et le Canada établies pour un environnement non contrôlé Le produit est sur pour un fonctionnement tel que décrit dans ce manuel. La réduction aux exposition RF peut être augmentée si l'appareil peut être conservé aussi loin que possible du corps de l'utilisateur ou que le dispositif est réglé sur la puissance de sortie la plus faible si une telle fonction est disponible.

European Union and European Fair Trade Association (EFTA) Regulatory Compliance

This equipment may be operated in the countries that comprise the member countries of the European Union and the European Fair Trade Association. These countries, listed below, are referred to as The European Community throughout this document: AUSTRIA, BELGIUM, BULGARIA, CYPRUS, CZECH REPUBLIC, DENMARK, ESTONIA, FINLAND, FRANCE, GERMANY, GREECE, HUNGARY, IRELAND, ITALY, LATVIA, LITHUANIA, LUXEMBOURG, MALTA, NETHERLANDS, POLAND, PORTUGAL, ROMANIA, SLOVAKIA, SLOVENIA, SPAIN, SWEDEN, UNITED KINGDOM, ICELAND, LICHTENSTEIN, NORWAY, SWITZERLAND.

Declaration of Conformity CE
Marking by this symbol:
Indicates compliance with the Essential Requirements of the Radio Equipment Directive (RED) of the European Union (2014/53/EU).

This equipment meets the following conformance standards:

Safety:	EN 62368-1: 2014 (T-Mark License), IEC 62368-1: 2014 (CB Scheme certificate) EN 50332-1: 2013, EN 50332-2: 2013 Additional licenses issued for specific countries available on request.
EMC:	EN 55032: 2015, CISPR 32: 2015 EN 55035: 2017, CISPR 35 : 2016 EN 301 489-1 V2.2.3 EN 301 489-17 V3.1.1
Radio:	EN 300 328 V2.2.1
EMC:	EN 62479: 2010 The products are licensed, as required, for additional country specific standards for the International Marketplace. Additional issued licenses available upon request.
Environmental:	REACH 2006/1907/EC, RoHS 2015/863 amending Annex II to Directive 2011/65/EU, WEEE 2012/19/EU, Packaging 94/62/EC, Battery 2006/66/EC

「取得審驗證明之低功率射頻器材，非經核准，公司、商號或使用者均不得擅自變更頻率、加大功率或變更原設計之特性及功能。低功率射頻器材之使用不得影響飛航安全及干擾合法通信；經發現有干擾現象時，應立即停用，並改善至無干擾時方得繼續使用。前述合法通信，指依電信管理法規定作業之無線電通信。低功率射頻器材須忍受合法通信或工業、科學及醫療用電波輻射性電機設備之干擾。」

This symbol on the product or its packaging indicates that this product must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment. The separate collection and recycling of your waste equipment at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For more information about where you can drop off your waste for recycling, please contact your local authority, or where you purchased your product.

Turtle Beach Europe Ltd is obligated as a producer with a main activity of selling under The Producer Responsibility Obligations (Packaging Waste) Regulations 2007. To fulfil our obligation we are registered with Comply Direct and their Recycling Room. Here you will find advice and information on packaging waste management, recycling symbols and the waste hierarchy principles of reduce, reuse and recycle.
