To access the rating label:
Pour accéder à l'étiquette :

1. Remove the left ear pad by pulling the ear pad straight up using your thumb.
1. Retirez le coussinet gauche en le tirant vers le haut à l'aide de votre pouce.

2. Once you've released the cloth from the lip on top, pull the ear pad straight back and it should slip right off.
2. Une fois le haut du tissu dégagé, tirez le coussinet vers vous pour le retirer facilement.

To replace the ear pad, follow the same process in reverse.
Pour remettre le coussinet en place, veuillez suivre la procédure inverse.

PACKAGE CONTENTS | CONTENU

USB Wireless Transmitter
Récepteur USB sans-fil

Charging Cable (USB-A to USB-C)
Câble de chargement (USB-A vers USB-C)

Stealth™ 500 Gaming Headset
Casque de jeu Stealth™ 500

HEADSET CONTROLS | COMMANDES DU CASQUE

BLUETOOTH SETUP | CONFIGURATION BLUETOOTH

To enable Bluetooth pairing mode:

- 1) Press the Bluetooth multi-function button (MFB) until the "Bluetooth Pairing" voice prompt plays.
- 2) After placing your headset in pairing mode, select the headset from within your device's Bluetooth settings menu to connect.
- 3) The Bluetooth MFB is used to answer end and calls as well as media playback control when connected to a compatible mobile phone.

Pour activer le mode d'appairage Bluetooth :

- 1) Appuyez sur le bouton multifonction Bluetooth (MFB) jusqu'à entendre l'indication vocale « Bluetooth Pairing ».
- 2) Après avoir mis votre casque en mode d'appairage, sélectionnez le casque dans le menu des paramètres Bluetooth de votre appareil pour vous connecter.
- 3) Le bouton multifonction (MFB) Bluetooth est utilisé pour répondre à des appels et raccrocher ainsi que pour contrôler la lecture média lorsque vous êtes connecté à un téléphone portable compatible.

SWITCH BUTTON | INTERRUPTEUR

The Switch button allows you to quickly switch between low-latency Wireless USB and Bluetooth modes based on your preference. We recommend using the Wireless USB mode for best performance when gaming on consoles or PC.
L'interrupteur vous permet de basculer rapidement entre les modes RF 2,4 GHz faible latence et Bluetooth en fonction de vos préférences. Nous vous recommandons d'utiliser le mode 2,4 GHz pour obtenir de meilleures performances lorsque vous jouez sur console ou PC.

Regulatory Compliance Statements for the STEALTH 500
(Wireless Gaming Headset – Wireless Headset Model: HWB80005 & Wireless Dongle Model: HWAA0005)
Federal Communications Commission (FCC) Compliance Notices
Class B Interference Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This product is compliant with the Consumer Product Safety Improvement Act of 2008, Public Law 110-314 (CPSIA). Changes or modifications not expressly approved by the party responsible for compliance could void the user's warranty to operate the equipment.

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC RF Radiation Exposure Statement:
This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. End users must follow the specific operating instructions for safekeeping RF exposure compliance. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.
This device contains license-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's license-exempt radio(s). Operation is subject to the following two conditions:
(1) This device may not cause interference.
(2) This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:
(1) L'appareil ne doit pas produire de brouillage.
(2) L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

RADIATION EXPOSURE STATEMENT
The product complies with Canada portable RF exposure limits set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available.

Le produit est conforme aux limites d'exposition pour les appareils portables RF pour les États-Unis et le Canada établies pour un environnement non contrôlé. Le produit est sûr pour son fonctionnement tel que décrit dans ce manuel. La réduction aux expositions RF peut être augmentée si l'appareil peut être conservé aussi loin que possible du corps de l'utilisateur ou que le dispositif est réglé sur la puissance de sortie la plus faible si une telle fonction est disponible.

Battery Caution:
• Do not disassemble, repair, separate or throw into fire.
• Do not continue to use if severe swelling.
• Do not place in high temperature environment.
• Do not use after the battery is flooded.
• Do not use any charger other than that specifically provided for use with the equipment.
• Dispose of used batteries according to the instructions.

European Union and European Fair Trade Association (EFTA) Regulatory Compliance

Declaration of Conformity
Marking by this symbol

Hereby, Voyetra Turtle Beach Inc. declares that: **Stealth 500** Headset Model: HWB80005 & Dongle Model: HWAA0005 is in compliance with Directive 2014/53/EU (EMC), 2014/53/EU (Safety), 2015/863 amending Annex II to 2011/65/EU (RoHS), 2006/95/EC (LVD), 2006/107/EC (R&A), 94/62/EC (PACKAGING), Electromagnetic Compatibility Regulations 2016(EMC), Electrical Equipment Regulations 2016(Safety), The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012.

The full text of the EU/UK declaration of conformity is available at the following internet address: <http://www.turtlebeach.com/homologation>

This symbol on the product or its packaging indicates that this product must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment. The separate collection and recycling of your waste equipment at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For more information about where you can drop off your waste for recycling, please contact your local authority or where you purchased your product.

Turtle Beach Europe Ltd is obligated as a producer with a main activity of selling under The Producer Responsibility Obligations (Packaging Waste) Regulations 2007. To fulfil our obligation we are registered with Comply Direct and their Recycling Room. Here you will find advice and information on packaging waste management, recycling symbols and the waste hierarchy principles of reduce, reuse and recycle.
