

OG2 Module HW Schematics Change Declaration

Date: May 17, 2016

To Whom It May Concern,

ORBCOMM's OG2 Satellite Mobile Earth Station (SMES) Module was tested in accordance with FCC standard CFR 47 Part 25 and IC standard RSS-170 in 2014. Orbcomm declares that since then, OG2 module HW circuit has not been changed.

Sincerely,

By: _____
