Attn: OET Dept.

Ref: FCC Class II Permissive change for FCC ID: XHM-PB63D31
Original Grant Date: 11/10/2016
Applicant: FLYTECH TECHNOLOGY CO., LTD

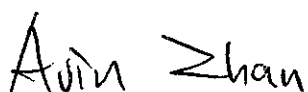

Dear Examiner,

This is to request a Class II permissive change for FCC ID: XHM-PB63D31
, originally granted on 11/10/2016

The major change filed under this application is:

1. The subject approved module is being used in a host (Portable category configuration, Brand name/Model: see test report.)
2. The antenna(s) type, gain, and location, and conditions remain the same as from original grant.
3. SAR Testing is performed to demonstrate RF Compliance.
4. The Software Configuration/Security description and channel plan submitted in the original approval under this FCC ID is continued valid under this application.
5. There is no any hardware change have been made to product (Schematics Diagram and Block Diagram). The frequency range remains the same and that no new channels are being added to those evaluated in the original application.

Sincerely yours,

Avin
