Subject: FCC Class II Permission change for FCC ID:XIA2023RG520NNA
Original Grant Date: 2023-08-02

Dear Sir/Madam,

This is to request a Class II permissive change to our product, Model name RG520N-NA (FCC ID: XIA2023RG520NNA), For the purpose of marketing, different host products are configured and different antenna gain, In order to meet ERIP requirements, we have reduced the conducted power of LTE B48 and 5G NR Band n48, and n48 UL-MIMO was disabled by the manufacturer by means of software, No hardware change, the device is identical to the previously certified.

This authorization is valid until further written notice from the applicant.

Please contact me if you have any questions or need future information regarding this application. Sincerely Yours,

Signature:
