

User manual note:

FCC ID: XJQMSLINK0004
V-Link-200 Wireless 8 Channel Analog Input Sensor Node

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: 1) this device may not cause harmful interference and 2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications, including antenna changes not expressly approved by LORD Corporation could void the user's authority to operate the equipment.
