ATTESTATION STATEMENT

Declaration on Electrically Identical Models

TO WHOM IT MAY CONCERN

We, steute Technologies GmbH & Co. KG, declare on our sole responsibility that the model
1471759 with IC Certification Number: 5158A-NGF24 and FCC ID: XK5-NGF24
is identical in hardware and software to the model
1473157

The only differences between the models are:

- Power supply:
1471759 is powered by alkaline batteries whereas 1473157 is powered by external 24Vdc supply. However, CPU and RF part is driven by identical linear power regulators.
- Acceleration sensor:
Only 1471759 is assembled with two acceleration sensors
- LSB bus interface
Only 1473157 is assembled with components for LSB bus interface.

We attest that above changing are not relevant for any RF behaviour subject to regulatory items.
Therefore CTC advanced GmbH Test Report 1-8822/19-01-05 remains applicable.

If you have any questions, please feel free to contact us at the address shown below

Sincerely,

Marc Schmidt, Head of Development - Electronics & Software
