

Request for Class II Permissive Change

FCC ID: XKB-INGA01AM

Date: 2026-03-31

TO: Federal Communication Commission

Please be notified that we, the undersigned, **INGENICO** declare that the reasons for this Class II permissive change are as below:

The current product is completely identical in hardware to the product under the original ID; the only difference is reducing the Wi-Fi power for 2.4GHz and 5GHz via software.

The original grant date is 07/14/2025

Thank you.

Sincerely.

Print Name: Nicolas JACQUEMONT

Title: HW certification specialist

Signature:

A handwritten signature in blue ink, consisting of a stylized 'N' followed by a horizontal line and a loop.
