

Federal Communications Commission
Authorization and Evaluation Division
1435 Oakland Mills Road
Columbia, MD 21046

Date: 14-01-2015

SUBJECT: FCC Application for XKS-SMPLUG03

To Whom It May Concern:

We, the undersigned, hereby attest that the Bluetooth module, Bluegiga WT32i-A with FCC ID: QQQWT32I, is electrically identical to the WT32i-A originally certified by Bluegiga Technologies.

Note that the antenna is a ceramic chip antenna integrated into the WT32i-A module and is already approved.

Regards,

Name: Alan Davis
Title: VP Engineering
