CONFORMS TO UL STD. 60730-1
CERTIFIED TO CSA STD. E60730-1
This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.
Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules.
These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the Instructions, may cause harmful interference to radio communications.
However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
• Reorient or relocate the receiving antenna.
• Increase the separation between the equipment and receiver.
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
• Consult the dealer or an experienced radio/TV technician for help.

LIMITATION OF LIABILITY
Liability limited to the purchase price of this product. Telebrands Corp. shall not be liable for any incidental or consequential damages or any implied warranty on this product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

Star Shower Remote Control

Back

Front

WARNING:
Do not mix old and new batteries. Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
Do not immerse in water.

Star Shower Remote Control

Installing Batteries in Remote:

1. Remove battery door by sliding door down. (Figure 1)
2. Insert 2 AAA batteries as indicated.
3. Replace battery door by sliding up until it clicks.

Figure 1

Instructions for Use:

1. Attach the electrical plug on Star Shower to the remote control receiver (Figure 2). If necessary, use an extension cord rated for outdoor use between the electrical plug on Star Shower and the remote control receiver.
2. Plug the remote control receiver into your household electrical outlet.
3. Select your light mode on the top of the Star Shower unit for either red lights or red and green lights (Figure 3). Light mode must be selected for remote to function. It will not operate if Star Shower unit is turned off.
4. Press the power button on the remote control to turn Star Shower on and off. Star Shower includes a light sensor so **it will only turn on in the dark**. To test operation, do so at night or in a dark room.
