

Due to the module being too small to accommodate the ID, the FCC ID is reflected on page 46 and the IC ID is reflected on the last page of the manual

2.8 Label and compliance information

Host product manufacturers need to provide a physical or e-label stating "Contains FCC ID:

XMR2025FCS961KL" with their finished product.

2.9 Information on test modes and additional testing requirements

Host manufacturer must perform test of radiated & conducted emission and spurious emission, e.t.c according to the actual test modes for a stand-alone modular transmitter in a host, as well as for multiple simultaneously transmitting modules or other transmitters in a host product. Only when all

End Product Labeling

This transmitter module is authorized only for use in device where the antenna may be installed such that 20 cm may be maintained between the antenna and users. The final end product must be labeled in a visible area with the following: **"Contains IC:10224A-025FCS961KL"**.

Étiquetage du produit final

Ce module émetteur n'est autorisé que pour une utilisation dans un dispositif où l'antenne peut être installée de telle sorte que 20 cm puissent être maintenus entre l'antenne et les utilisateurs. Le produit final doit être étiqueté dans une zone visible avec la mention suivante: "contient IC:10224A-025FCS961KL".
