

Due to the module being too small to accommodate the ID, the FCC ID is reflected on page 42 and the IC ID is reflected on the last page of the manual

2.8 Label and compliance information

Host product manufacturers need to provide a physical or e-label stating "Contains FCC ID: XMR2025FCU865R" with their finished product.

End Product Labeling

This transmitter module is authorized only for use in device where the antenna may be installed such that 20 cm may be maintained between the antenna and users. The final end product must be labeled in a visible area with the following: "Contains IC:10224A-2025FCU865R".
