

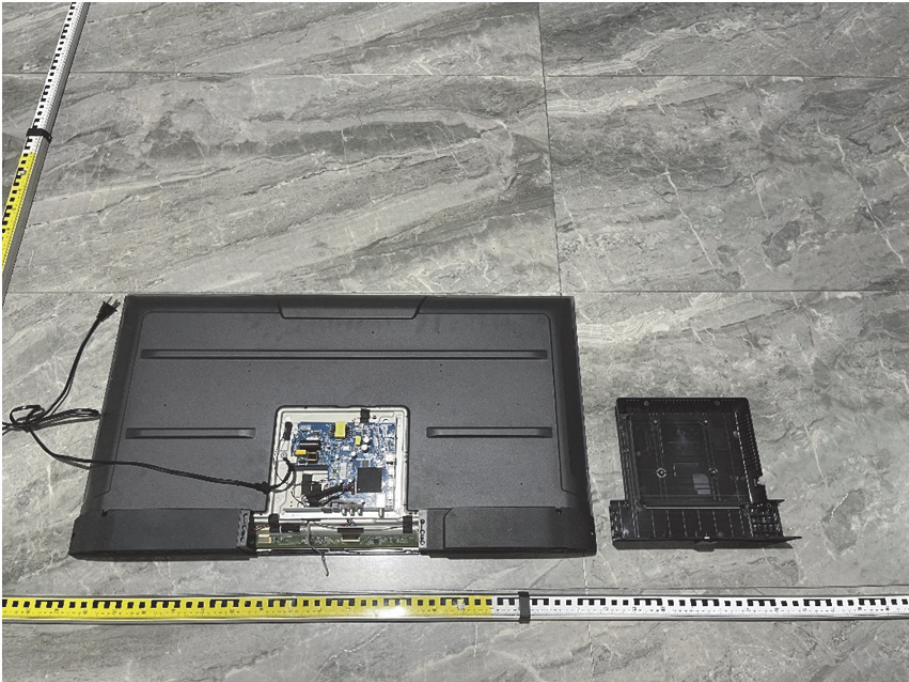

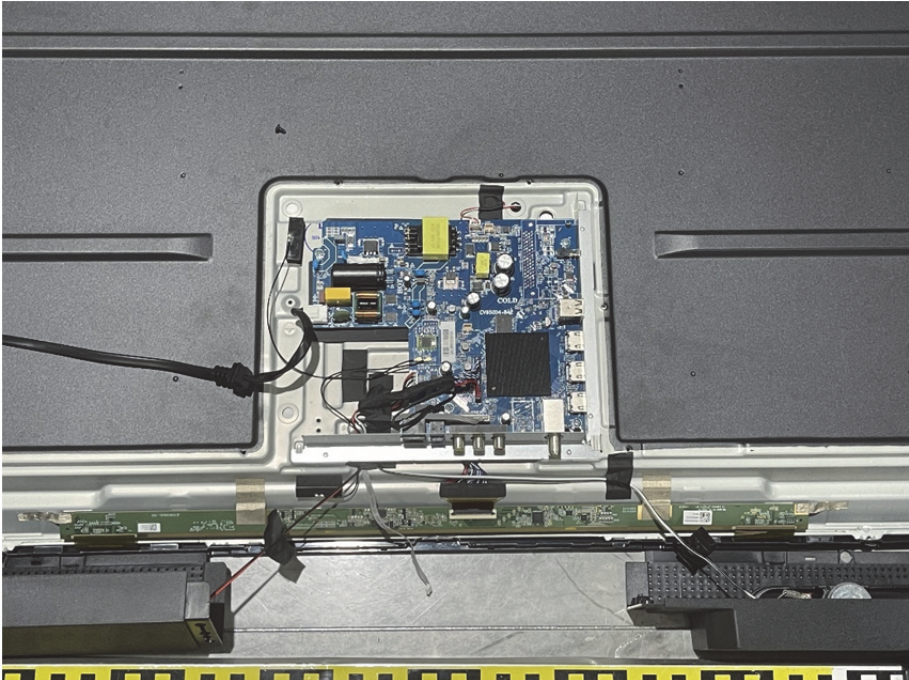

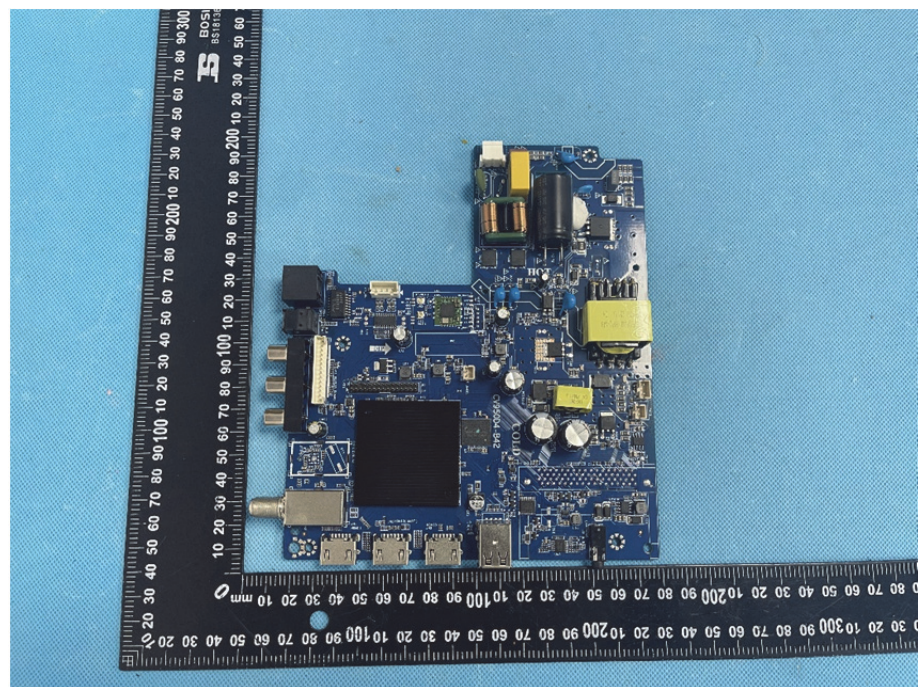

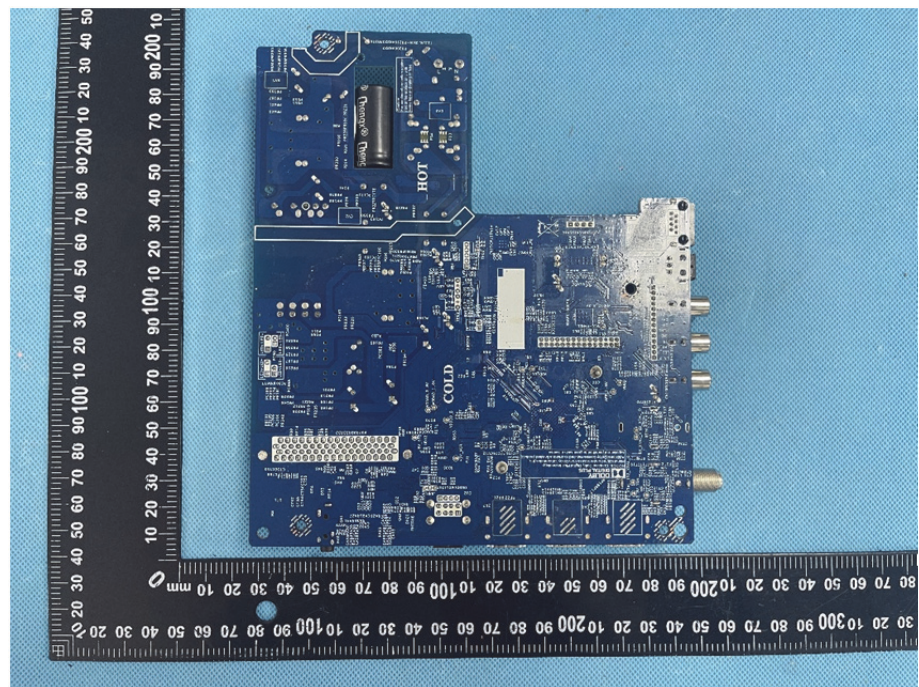

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

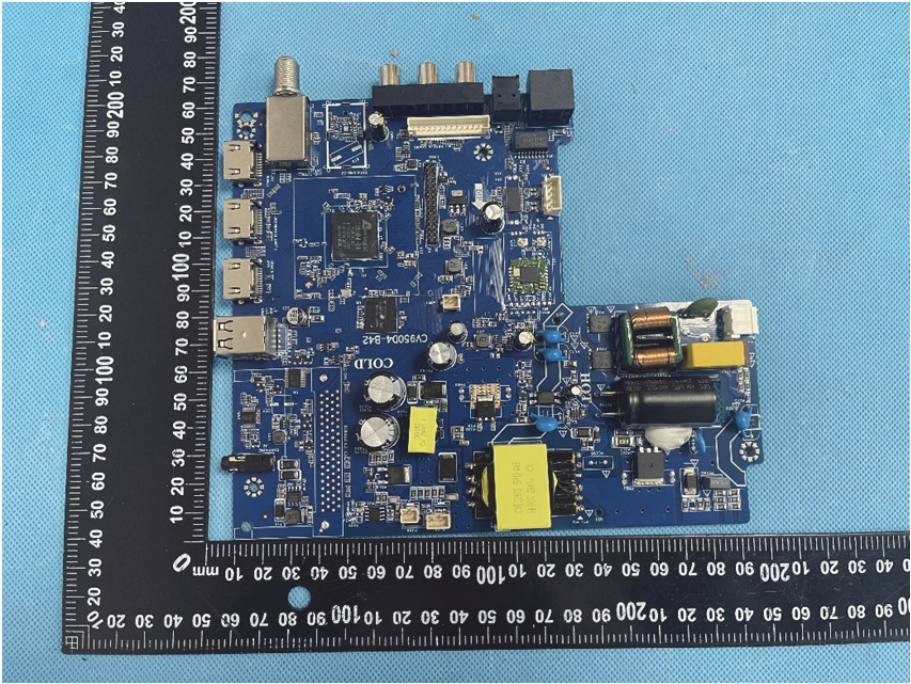

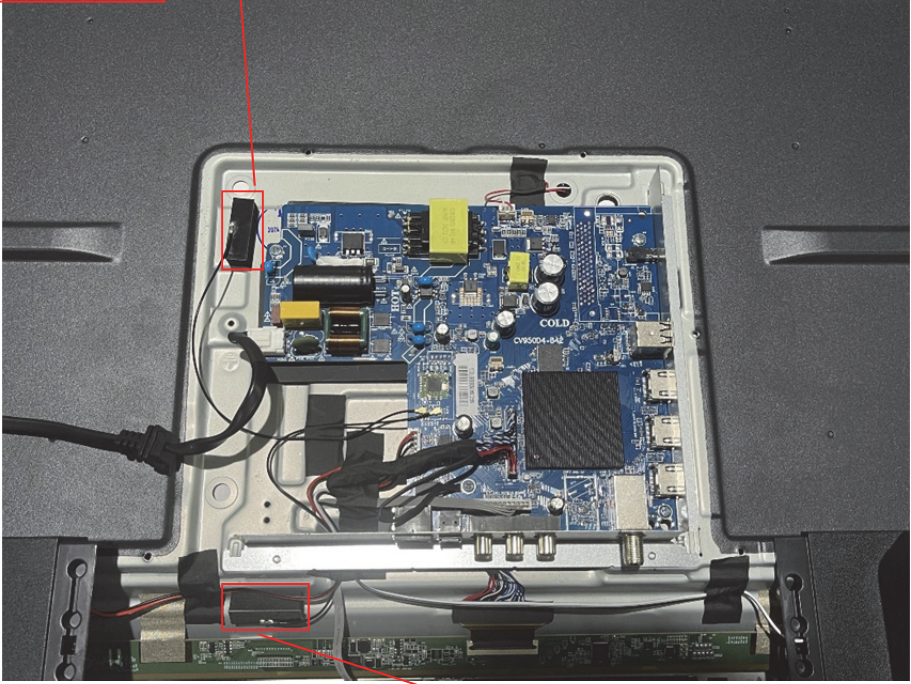

EUT Housing and Board View 1	 A top-down photograph of the EUT housing and board. The housing is black and rectangular. The board is blue and populated with various electronic components, including a large black heat sink. A yellow measuring tape is visible along the bottom edge of the housing. A black cable is connected to the board.
EUT Housing and Board View 2	 A close-up photograph of the EUT housing and board. The housing is black and rectangular. The board is blue and populated with various electronic components, including a large black heat sink. A yellow measuring tape is visible along the bottom edge of the housing. A black cable is connected to the board.

Solder Board-Component View 3	 A photograph of a blue printed circuit board (PCB) with various electronic components, including capacitors, resistors, and integrated circuits. The board is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler is oriented vertically, showing measurements from 0 to 100 mm.
Antenna View	 A photograph of the same blue PCB, now mounted inside a device's chassis. The board is connected to various cables and components. Two specific areas are highlighted with red boxes and red leader lines. The top box points to a component labeled "WIFI Antenna 2+BT Antenna". The bottom box points to a component labeled "WIFI Antenna 1".
