

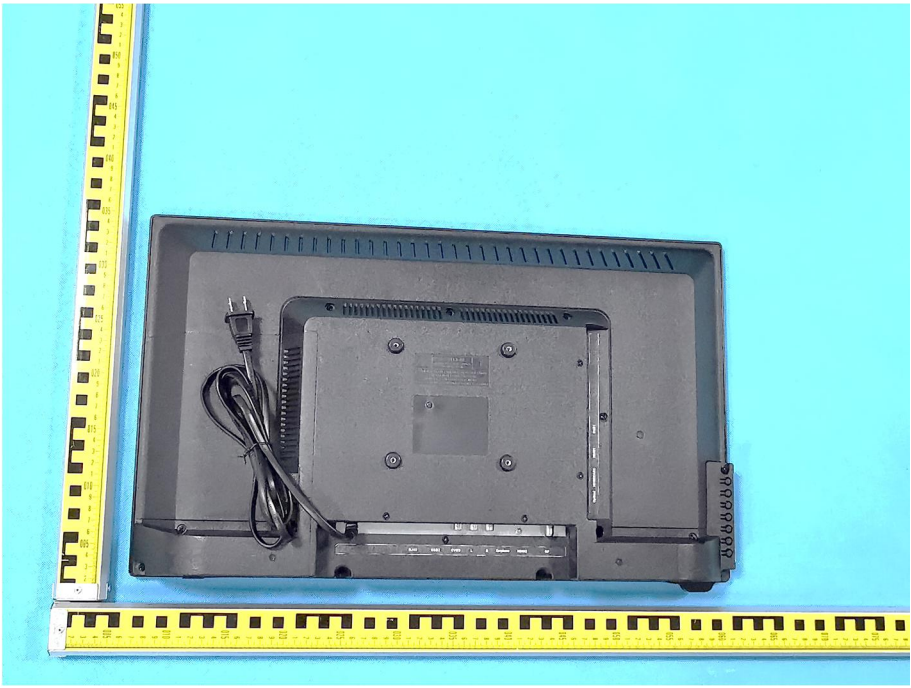

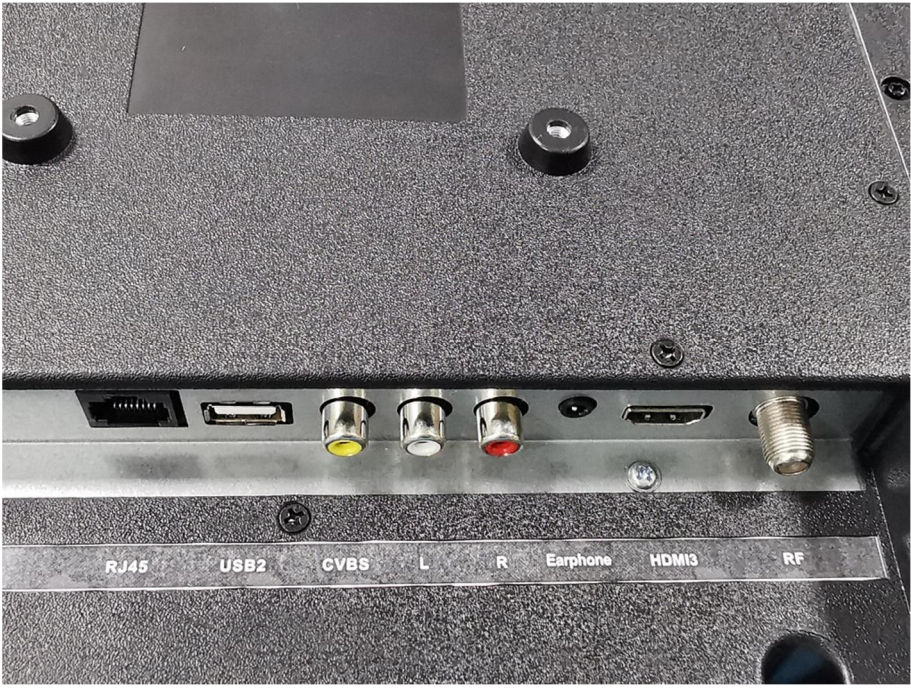

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	
EUT View 2	

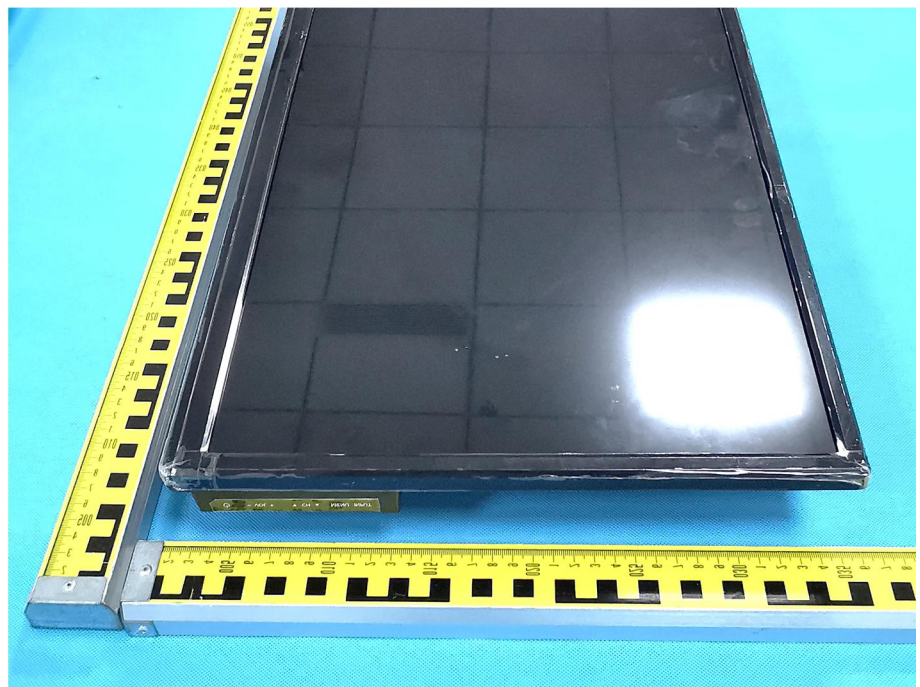

EUT View 3	 A photograph showing the back of a black electronic device, likely a monitor or small TV. A black power cable is plugged into the back. A yellow measuring tape is placed horizontally and vertically next to the device to provide a sense of scale. The background is a solid blue color.
EUT View 4	 A close-up photograph of the rear panel of the device. It shows a row of ports: an RJ45 Ethernet port, a USB2 port, three CVBS video ports (yellow, white, and red), a pair of L and R audio ports, an Earphone jack, an HDMI3 port, and an RF antenna connector. The labels for these ports are printed on a silver-colored metal plate below the ports.
