

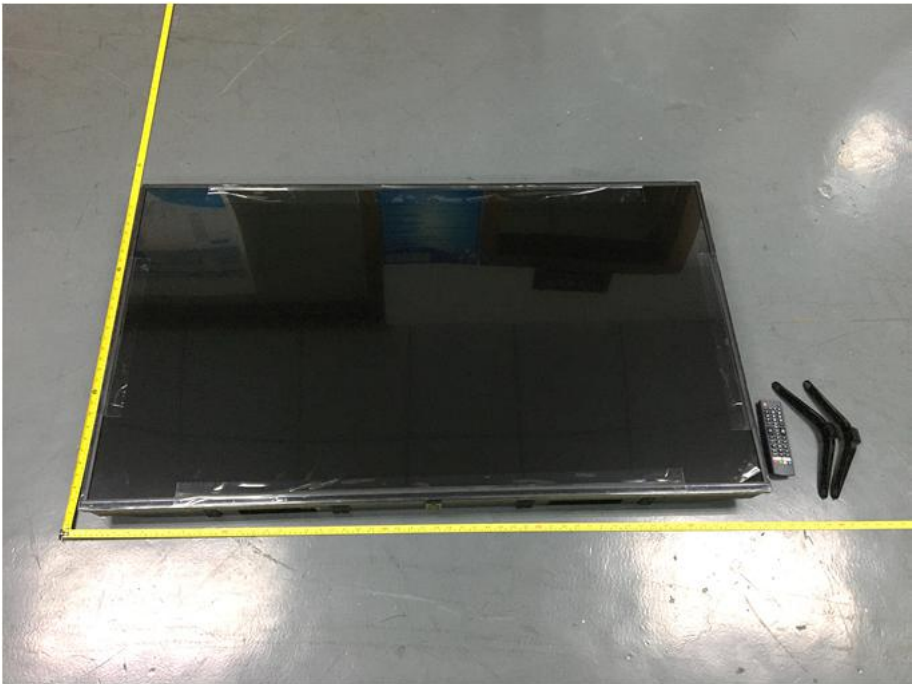

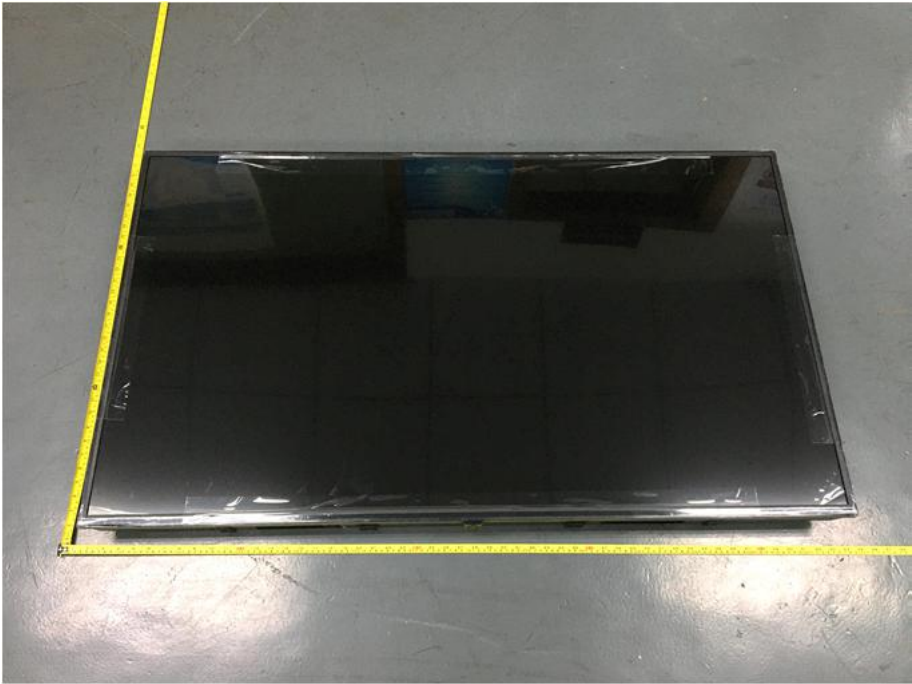

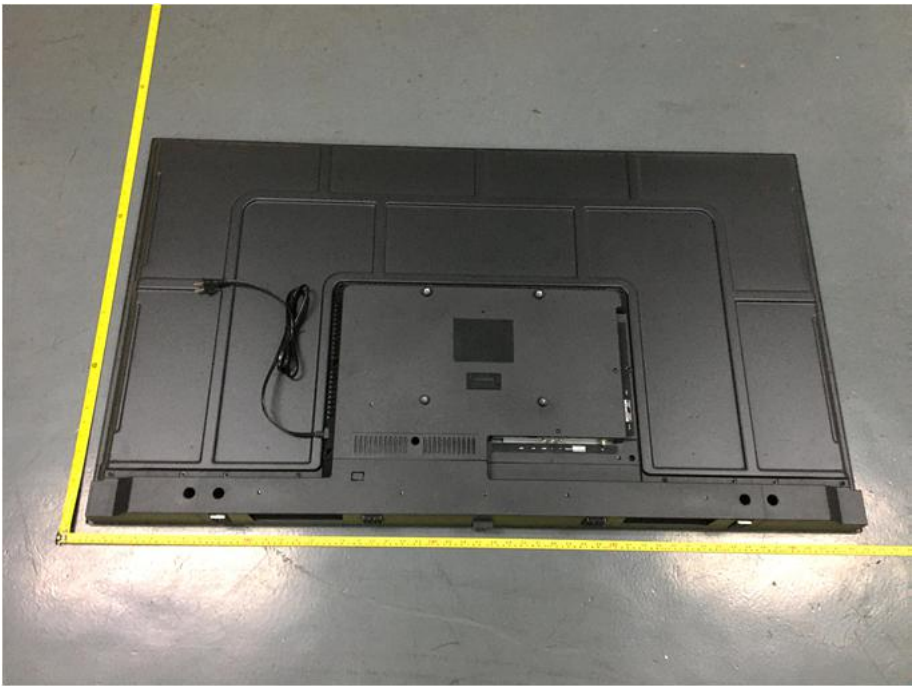

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

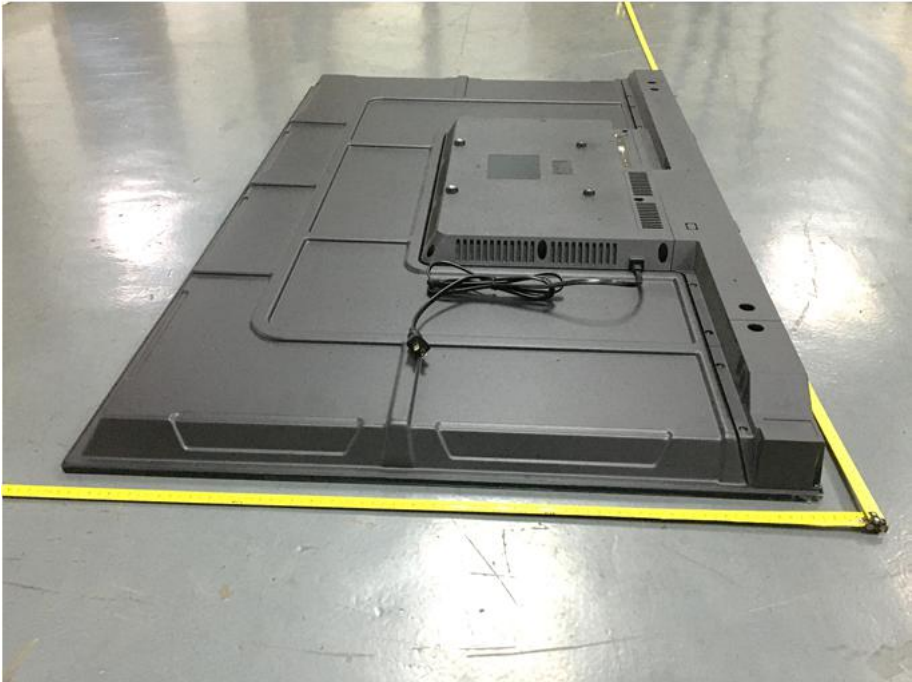

EUT View 1	 A photograph of a black, rectangular electronic device, likely a tablet or small monitor, lying flat on a grey surface. A yellow measuring tape is placed horizontally across the bottom edge of the device. To the right of the device, a black remote control and a pair of black tweezers are visible. The device has a glossy finish and some reflections are visible on its surface.
EUT View 2	 A photograph of the same black, rectangular electronic device from a slightly different angle. A yellow measuring tape is placed horizontally across the bottom edge of the device. The device is lying on a grey surface, and its glossy finish reflects the surrounding environment.
