Solder Board-Component View 3	 A photograph of a green printed circuit board (PCB) with various electronic components. A large black heat sink is mounted in the center. The board features a USB port, a D-sub connector, and several other smaller connectors. A ruler is placed horizontally below the board for scale, showing measurements in millimeters.
Solder Board-Component View 4	 A photograph of the same green PCB from a different angle, showing the underside. It features various surface components, including capacitors and integrated circuits. A ruler is placed horizontally below the board for scale, showing measurements in millimeters.

Solder Board-Component View 7	 A photograph of a rectangular silver-colored printed circuit board (PCB) component. The board features several gold-plated pads and vias. A central square pad is labeled '4055 023'. To the right, there is a grid of pads labeled 'RWK', 'FCT', 'AOT', 'FOC', and 'BPT'. The component is placed on a blue surface next to a black ruler with white markings in millimeters.
Solder Board-Component View 8	 A photograph of a small green PCB component. It has several gold-plated pads and vias. Labels on the board include 'CH+/INPUT', 'CH-/MENU', 'V+', 'POWER', 'C1', 'C2', 'R1', 'R2', and 'R3'. The component is placed on a blue surface next to a black ruler with white markings in millimeters.
