

Subject: Agent Authorization

FCC ID: XPYJODYW263

IC: 8595A-JODYW263

Model: JODY-W2

To whom it may concern:

Pursuant to FCC 2.1043 and RSP-100, Section 10.4, we request FCC Class II and ISSED Canada Class IV Permissive change for the authorized equipment (indicated above) due to the following changes.

- Module is integrated into host device, CAS-GPS IVU, Model No. PROD0842-2 & PROD0847-2, manufactured by Industrea Mining Technology Pty Ltd (FRN No.: 0019935618)
- Module will use an external 2.4 GHz antenna with +3 dBi gain, not currently listed on approved antenna list. New 2.4 GHz antenna being used is OYH02020-NF, Syskim make.

Thalwil, 20.08.2021
