Application of Class II Permissive Change

Company name: u-blox AG

FCC ID: XPYJODYW562

Approval date: 11/22/2024

To whom it may concern:

We, u-blox AG, hereby request a C2PC for the JODY-W5 modules with FCC ID: XPYJODYW562, to modify our existing certification.

This C2PC request covers that Dynamic Frequency Selection (DFS) master capability has been implemented in the 5.25-5.35 GHz band and 5.47-5.725 GHz band and the addition of the U-NII 4 channels for the above-mentioned FCC ID.

The change is in the firmware and there has not been any change in the circuitries of the already certified device.

All required DFS tests has been performed and the test reports shall be filed as exhibits to this request.

For the additional channels of U-NII 4, testing have been conducted to prove the compliance with the FCC regulation.

Sincerely,

u-blox AG
Zürcherstrasse 68
8800 Thalwil
Switzerland
