

The image shows the back of a yellow plastic device. At the top, there is a black mounting bracket with a central screw hole and a small logo. Below the bracket is a black label with white text. The label contains the FCC ID, the manufacturer's name, and the country of origin. Below the label, there is a paragraph of text explaining the FCC compliance and two conditions for operation. The device has two circular holes on either side of the label.

FCC ID: XQP77041449TX
NKOK INC.
MADE IN CHINA

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) This device may not cause harmful interference.
