RE: Model Variants

To Whom It May Concern:

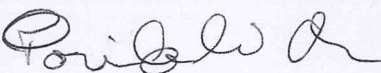

CAP M 7E/80-85/17E/19-F-AC FCC ID XS5-CAPM7E817E19 has two model variants: 7820478-0001 and 7820478-0002. The two variants use different power supplies.

7820478-0001: 110VAC to 240VAC
7820478-0002: -72VDC to -36VDC

Other than the power supplies, the two variants are identical.

Sincerely,

Name: Omar Parimbelli
