

DATE : 2019-06-19

Equipment Authorisation Division
Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

FCC ID: XTS-BTH-78
Product Name: Bluetooth Muff
Subject : Model series declaration

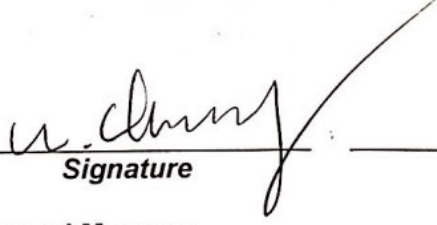

To whom it may concern:

We, **Mobility Sound Technology Ltd.**, declare that the BTH-800 is identical to the main test sample BTH-700 on electrical and electronic design. The difference between them is on the headband. BTH-700 has headband. BTH-800 does not have headband.

Sincerely Yours
