To:
Bay Area Compliance Laboratories Corp.
1274 Anvilwood Avenue
Sunnyvale, CA 94089

Dear Sir/Madam,

We, LiveFree Emergency Response, Inc., declare that we buy the MC323 module from Huawei. And this module is CDMA 2000 1X Module which was compliance with FCC Requirement , FCC ID: QISM323. Our EZC product use this module and didn't change the module electronic design.

Best Regards,

Sincerely,

Signature: 
Joshua Chandler
