Reference

Intellian C700 GMDSS FCC application

To whom it may concern,

The Intellian C700 GMDSS system complies with all relevant FCC 47 CFR Part 25 regulations.

Please refer to the below table which cross references the FCC Rules against the supplied test reports and supporting documentation.

Rule	Document Reference	Notes
25.202	Test report 1-8774/19-01-06-A sections 8.4, 8.5, 8.6, 8.8 1-8774/19-01-01_AnnexI Plots 9-39, 48-59	
25.204	Test report 1-8774/19-01-06-A sections 8.2	
25.205	N/A	Not applicable as the system operates solely within the Iridium frequency allocation and not in any bands that are shared with other terrestrial or space systems.
25.213	Iridium Next Engineering Statement for FCC	This is an Iridium network system-level requirement. Compliance to this requirement cannot be demonstrated by the user terminal alone. Please refer to the referenced document authored by Iridium.
25.216	Test report 1-8774/19-01-06-A sections 8.7 1-8774/19-01-01_AnnexI Plots 9-39, 40-47	

Please contact Intellian for further details if you have any questions.

Yours sincerely
