Federal Communications

Evaluation Division

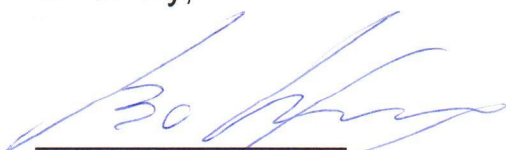

FCC ID: Y2SLTH300
STATEMENT

FCC ID: Y2SLTH300
Product: Zipp
Model: LTH300

Although the product is larger than palm, the shell of this product is hollow with heat dissipation. The bottom of the product has product information and industrial design, so FCC statement can't be put here.

The whole product has no space to put the FCC statement so we put the FCC statement in the user manual.

Sincerely,

Bo Kjelde / Director of Engineering
