Re: Process filing without TCB PAG

To whom it may concern:

Powercast Corporation has been in discussions with the FCC about our TX91503 product (FCC ID: YESTX91503, IC ID: 8985A-TX91503). The FCC has informed us that "the application can be submitted and TCB may process without using the TCB PAG". Please refer to KDB Tracking Number 360961 for additional information. If more information is necessary, I can be reached at 724.689.8999. We appreciate your time in this matter and hope our application can be processed as expeditiously as possible so we can get our product to market.

Sincerely,

Charles Greene
