

PRODUCT INFORMATION

CEL-FI® QUATRA 4000c

MODEL NUMBERS:

I44-1M34CNU
I41-RECU

Safety Precautions

- These products are designed to use a direct plug-in power supply unit.
- When installing the equipment, all the requirements of the manufacturer and the referenced standards must be met.
- There are no user-serviceable parts inside.

CAUTION: Changes or modifications to this product not expressly approved by Nextivity may void your right to operate the equipment. This device may be operated ONLY in a fixed location for in-building use. Home/personal use is prohibited.External Antenna: Only the antennas listed in the Antenna Kitting section of the user manual are allowed to be used with this device. Use of unauthorized antennas, cables, and/or coupling devices not conforming with ERP/EIRP and/or indoor-only restrictions is prohibited.

Warranty

Nextivity Inc provides a limited warranty for its products. For details, please refer to <http://cel-fi.com/warranty>

Limitation of Liability

In no event shall Nextivity, nor its directors, employees, agents, suppliers, or End Users, be liable under contract, tort, strict liability, negligence, or any other legal or equitable theory concerning the Products or any other subject matter of this Agreement:

1. for any lost profit, cost of procurement of substitute goods or services, or special, indirect, incidental, punitive, or consequential damages of any kind whatsoever or
2. for any direct damages over the fees (in the aggregate) received by Nextivity from End User concerning the Products purchased and paid for.

See www.cel-fi.com for a list of patents covering this product.

Part 90 and Part 20 Signal Boosters

WARNING. This is **NOT** a **CONSUMER** device. It is designed for installation by **FCC LICENSEES** and **QUALIFIED INSTALLERS**. You **MUST** have an **FCC LICENSE** or express consent of an **FCC License** to operate this device. Unauthorized use may result in significant forfeiture penalties, including penalties in excess of \$100,000 for each continuing violation.

Trademark

Cel-Fi, IntelliBoost, and the Nextivity logo are trademarks of Nextivity, Inc.

WARNING

E911 location information may not be provided or may be inaccurate for calls served by using this device.

This device may be operated ONLY in a fixed location for in-building use.

External Antenna

Only the antennas listed in the Antenna Kitting section of the Quick Start Guide are allowed to be used with Cel-Fi Smart Signal Boosters.

FCC Statement

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. this device must accept any interference received, including interference that may cause undesired operation.

In order to comply with FCC RF Exposure requirements:
