

Labels for Riedel Bolero BL-ANT-1010-19

The product is available in different colors and with programming for different regions.

So there are different versions of labels.

The labels show our product name “BL-ANT-1010-19”. The name is suffixed with further letters to indicate the color of the housing (G=grey, W=white) and the region programmed (e.g. -US, -EU,...).

Examples:

Location:

The label is placed on the backside of the front lip of the housing. See red marked area in the photos.
