The image shows the rear panel of a Philips 50PFL5000Z television. The panel is black with silver-colored accents. On the left, there is an AC power input. Moving right, there are two sets of audio inputs labeled 'LINE IN 1' and 'LINE IN 2'. Next to these are two optical inputs labeled 'OPTICAL IN' and 'OPTICAL OUT'. To the right of the optical inputs are two USB ports. Further right are two sets of video inputs labeled 'VIDEO 1' and 'VIDEO 2'. On the far right, there are two sets of composite video inputs labeled 'CVBS 1' and 'CVBS 2'. The panel also features several warning labels, including a 'CAUTION' label for the power input and a 'WARNING' label for the optical inputs. The Philips logo is visible on the left side of the panel. The text 'Designed and engineered in the United Kingdom. Made in P.R.C.' is printed at the bottom right of the panel.
