A photograph of a green printed circuit board (PCB) of a mobile phone, showing various components like the SIM card slot, camera lens, and connectors. A ruler is placed vertically on the left side for scale. The PCB is populated with numerous components, including a SIM card slot, a camera lens, a microphone, and various integrated circuits. A white label with the text "Z401103030000" and "AG0110" is visible. The board is set against a blue textured background.
