Subject: Letter of FCC Grant Dismissal

Model Name: VDB770; Product Name: Video Doorbell
FCC ID: YL6VDB770X (Original Grant Date: 21 July 2023)

To Whom It May Concern:

Alarm.com Incorporated ("Alarm.com"), hereby formally request the cancellation of FCC Equipment Authorization Grant number YL6VDB770X, which was previously issued to Alarm.com for model: VDB770.

This request is being made because the device associated with this grant has not entered production and remains unused. We have determined that we will not be proceeding with the manufacturing or marketing of this device, and therefore no equipment authorized under this grant will be made available to the public.

Furthermore, we hereby authorize **IIA Lab Services, LLC**, who assisted in the original filing, to act on our behalf in the submission and management of this request. This authorization shall remain in force until the earlier date when the dismissal process is completed or 15th September 2026.

We understand that, even after the dismissal, the information may still appear on third-party websites, and that the FCC has no control over such content.

Please forward any acknowledgements or requests for response directly to IIA Lab Services, LLC.

We remain at your disposal should you need any additional information.

Sincerely,
