REQUEST FOR CONFIDENTIALITY

FCC application: YMY-030865

Pursuant to FCC 47 CRF 0.457(d) and 0.459 Alligator requests that a part of the subject application be held confidential. Alligator has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage Alligator has achieved by developing this product. Not protecting the details of the design will result in financial hardship.

Exhibit	Type of Confidentiality Requested		
	permanent	Short term	
External Pictures	☐	☒	(1) The end user of the product has no access to the internal parts of the device as it is hermetically sealed against water and steam intrusion. Therefore we request to keep the internal pictures permanent confidential.
