Using Your Walkie Talkies:

Battery Information:

Turning Power On/Off:

Slide **On/Off Button** to activate or deactivate the Walkie Talkies. Remember to switch Walkie Talkies **OFF** after use to conserve battery life.

Both Walkie Talkies must be turned **ON** in order to send and receive messages.

When unit is turned on you will hear a sound of long "beep". When both walkie talkies are turned on, after a few seconds and depending on the distance, a short "beep" sound will be heard. This sound is a notification that both walkie talkies are connected and messages can be sent and received.

To save battery power, the units will automatically turn off after 2 minutes of not being in use. The notification will be a "beep" sound 2 seconds long. To reactivate the units, turn the switch to OFF, then to ON again.

Sending Voice Messages:

Press and hold the **Talk Button** and speak into mic.

Receiving Voice Messages:

Messages can not be received while the **Talk Button** is pressed. Messages are heard through the speaker

Troubleshooting:

Be careful not to talk at the same time as your friend. Two people talking at once will affect performance of the units.

This product does not transmit well through obstacles such as buildings, metal structures and trees.

Replace Batteries If :

One or more of the Walkie Talkies do not work.

One or more of the Walkie Talkies are beeping. Beeping is heard when battery voltage is low.

Signal range decreases notably
