Subject: classII permissive change for FCC ID:YQDGV55W
Original grant date:2022/03/16

Dear Examiner,

This is to request a classII permissive change for GPS Tracker,Model Name:
GV55W,FCC ID:YQDGV55W.

The Major change filed under this application is:

●Change the CPU model: MKL03Z32VFK4 to model: LPC824, minor change of the CPU Peripheral circuit(no change of whole schematic and PCB Layout),this CPU has no effect on all RF parameters such as RF power and radiation and etc,like Computer CPU function. so no change in radio parameters has occurred because the RF part is independent based on Qualcomm MCU QSC6270, this MCU has independent baseband, RF and power management functions.

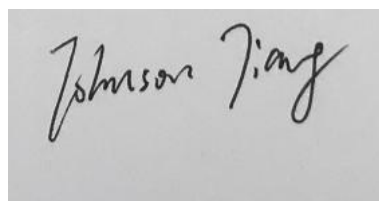

●EMC testing is performed to demonstrate compliance.

●RSE testing is performed to demonstrate compliance.

Please Kindly review the application documents submitted and grant approval for this Permissive change application.
