

Edge-core

Model : ECW5211-L2

Input Voltage Range : 12V $\overline{\text{=}}$, 1A

FCC ID: YZKECW5211O

FCC CLASS B

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.
