ATTN.: Reviewing Engineer

To Whom It May Concern:

We, **LG Innotek Co., Ltd.**, attest that this device under FCC ID: **YZP-ATC6NPL004** complies with the following Very Low Power 6VL protocols and restrictions:

1. Device Protocol Attestation Statement:

- a. This device will prioritize spectrum above 6.105 GHz.
- b. This device will use Transmit Power Control (TPC). The TPC mechanism of the device is not user-configurable and is governed by either signal sensitivity or the PERs indicator.
- c. Contention-based protocol as demonstrated in the test report is permanently embedded in the module and is not host-dependent based protocol demonstrated in the test report.

2. Device Operating Restrictions:

- a. This device is prohibited for control of or communication with unmanned aircraft systems, including drones.
- b. Operation of this device is prohibited on oil platforms and aircraft, except that operation in the 5.925-6.425 GHz band is permitted in large aircraft flying above 10,000 feet.

Best Regards
