

4-Button Remote Control Keyfob Instructions

The 4-Button Remote Control Keyfob can control 2 different KeyCloud Compatible Electronic Deadbolts (SRCED-3). These two locks can be distinguished by the 1 and 2 in the keyfob Lock/Unlock Buttons.

Your administration code (Admin Code) for each lock can be found on the back of the instruction booklet for your SimpliciKey Electronic Deadbolt

Command	Press
Add Remote Control Keyfob	
1. Enter Admin Code	
2. Enter "ADD FOB", press *	
3. Press and hold both keyfob buttons	
4. Test the keyfob	

FCC Statement

Pursuant to part 15.21 of the FCC Rules, you are cautioned that changes or modifications not expressly approved by SimpliciKey could void your authority to operate the device.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
