

Declaration of difference

To Whom It May Concern:

We [Grandstream Networks, Inc.] Declared that compared with GRP2603 , GRP2603P support POE function, but only the BOM is different, the PCB is the same. Declared by manufacturer.

Model	POE Function	Main Board Differences	KB Differences
GRP2603	NO	The difference between the two is whether or not to post the POE device.	NA
GRP2603P	YES		

Sincerely,
