

Declaration Letter

Dear Sir/Madam,

We, Grandstream Networks, Inc., located at 126 Brookline Ave., 3rd Floor, Boston MA, 02215 USA, declare under our sole responsibility that the Products,

Product name: In-Wall Wi-Fi 6 Access Point;

Model: GWN7661 (FCC ID: YZZGWN7661).

We seek an expedited review and a re-use of the PAG (KDB 513338) based on the products' similarities of this version model GWN7661 with the previous approved model GWN7660LR (FCC ID: YZZGWN7660LR). The GWN7661 uses the same technology and IPQ6000 chipsets as the previously certified version. In regarding to DFS operation, both system use the same algorithms for DFS detection. The difference is that the previous system uses 2 external Rod antenna configuration, where GWN7661 uses consisted of 2x2 internal antenna configuration. The earlier version was certificate issued on Dec 23, 2021 and had no detection issues. The previous model GWN7660LR and the current model GWN7661 operate modes are the same. GWN7661 DFS testing was done in accordance with KDB 513338 which was used when evaluating the previous version by the test lab.

Reference previously approved PAG #: KDB 513338.

Please contact me if you have any questions or need future information regarding this application.

Sincerely Yours,

Signature:

Ning Wei
