Hangzhou Hamaton Tyre Valves Co., Ltd.
12 East Zhenxing Road, Linping. Yuhang, Hangzhou
Zhejiang, China

Justification letter

Since the applicant states that:

Model HTS1A3151 and HTS1A3152 are electrically identical except for the antenna shape.

We test radiated emission (including the fundamental and spurious emission) for both model. For timming and bandwidth testing, only model no. HTS1A3151 was chosen”
