View 1**

Solder Board-Component View 2	 A photograph showing a small green electronic component mounted on a blue PCB. The component is positioned near a black L-shaped ruler with white markings in millimeters. The ruler is placed on a blue textured surface. The component is oriented vertically, and its solder joints are visible.
Antenna View	 A photograph showing the same green electronic component from a different angle, highlighting the antenna structure. A red rectangular box is drawn around the antenna area on the component. A red line points from this box to a label "2.4GHz Antenna" located in the top right corner of the image. The component is positioned near a black L-shaped ruler with white markings in millimeters, similar to the previous view.
