View 1**

Solder Board-Component View 2	 A photograph of a circular electronic component, likely a coil, with a white substrate and a black central area. The component is mounted on a blue background. A yellow wire is connected to the top of the component. A ruler is visible on the left and bottom, showing measurements in millimeters. The component has a small label with the text "TP011" and "2024/09/13".
Solder Board-Component View 3	 A photograph of the same circular electronic component from a different angle, showing the underside. The component is mounted on a blue background. A ruler is visible on the left and bottom, showing measurements in millimeters. The component has a small label with the text "TP011" and "2024/09/13".
