

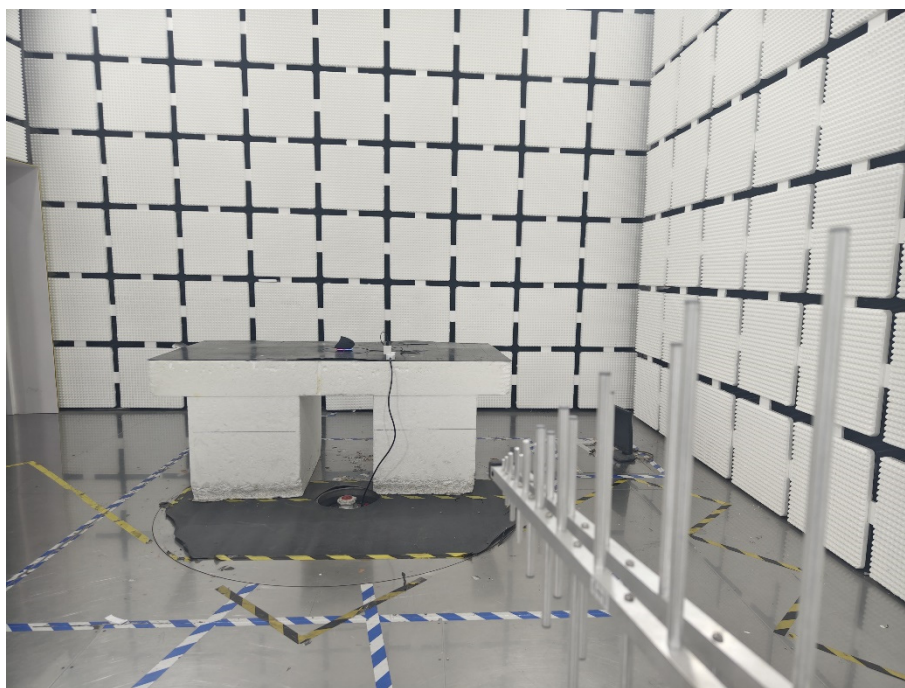

EXHIBIT 4 - TEST SETUP PHOTOGRAPHS

Conducted Emission Test Setup	 A photograph showing a conducted emission test setup. On the left, a white test bench holds a spectrum analyzer. To its right, a power supply unit sits on the floor, connected by red and blue cables to a wall outlet. A wooden table is on the right, with a small black object on it. The floor is metallic and shows some debris.
Radiation Emission View (Below 30MHz)	 A photograph of a radiation emission test chamber. The walls are covered in white absorber panels with black cross patterns. In the center, a white test table is surrounded by a black frame. The floor is metallic with yellow and blue safety tape markings.

**Radiation Emission
View (30MHz to 1GHz)**
