**Telephone:** 406-570-3082

**FCC FRN (if applicable):** The agent for service of process does no business with the FCC other than being designated as an U.S agent for service of process.

### 3. Certification and Acknowledgement

Supra Foto-Elektronik-Vertriebs-GmbH (the "Applicant") hereby designates the above-named person or entity located in the United States as its U.S. agent for the purpose of accepting service of process on behalf of the Applicant in matters related to the applicable equipment identified above.

The Applicant acknowledges and consents that the designated U.S. agent is authorized and obligated to accept service of process in the United States for matters related to the applicable equipment, at the physical U.S. address and email address stated above.

The Applicant further acknowledges and accepts its obligation to maintain a U.S. agent for service of process for no less than one (1) year after the later of (a) the permanent termination of all marketing and importation of the applicable equipment within the United States, or (b) the conclusion of any Commission-related administrative or judicial proceeding involving the applicable equipment.

If the designated U.S. agent is different from the Applicant, this certification shall be signed by both the Applicant and the designated U.S. agent.

This designation is provided in connection with the FCC equipment authorization application for the applicable equipment identified above.
